The following information would be of considerable value:

1. The value, interest rate, repayment terms and dates of all contracts with the Egyptians for the shipment of goods from the Soviet Bloc to Egypt on extended credit.

2. The value, rate and dates of all contracts with the Swiss for re-insurance of Soviet credit insurance. Specify whether or not the 40 percent apolies to each of these.

3. Define the purpose of each Soviet credit. That is, if goods, categorize the goods as capital equipment or consumers' goods. If the credits were made in currency, specify which currency.
